

KICK BUTTS GENERATION

VOICE – July 2020

The temperature is up, the sun is out, and no school. That must mean it is officially summer!

We hope you are having a safe and enjoyable summer so far. Though we all may not be able to get together and see each other, we are continuing virtual events and trainings to ensure we are all set to jump right back into KBG programming, in-person when the time allows.

2020 Force Captain Training Updates

IMPORTANT:

Typically, we would gather all of our returning and new Force Captains and hold a training weekend in August. However, due to the ever-changing COVID-19 environment, we are moving the 2020 Force Captain Training completely virtual. Safety is our #1 concern and feel it is best to continue to follow CDC guidelines by practicing social distancing and staying home to prevent the spread.

This year, there will be 2 different categories of trainings that will encompass the Force Captain Training. Self-Paced Trainings will have a link that you complete on your own, during your own time. Live Scheduled Trainings will require you to attend the session at the scheduled time with you peers present, too.

Completion of **ALL** sessions will be required to be certified as a KBG Force Captain. All Force Captains who complete the training will receive a Force Captain polo shirt, sweatshirt, and the opportunity to attend the 2021 KBG Leadership Retreat trip to an amusement park – all expenses paid.

A welcome packet will be sent to your address with a KBG water bottle, padfolio, and pen to use during the Force Captain Training workshops.

You must register for the Force Captain Training by August 17, 2020.

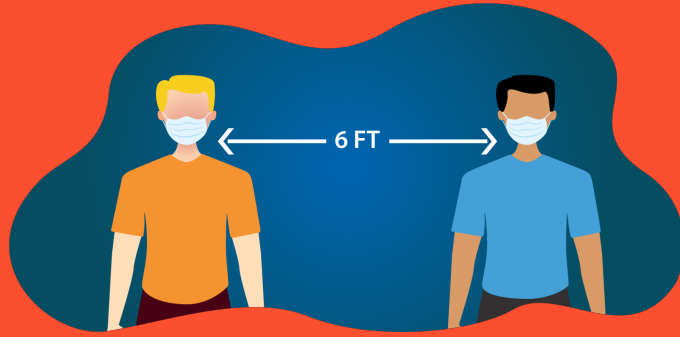

Help Stop the Spread of COVID-19

- Remember to stay a safe distance (at least 6 feet) from others
- Wear a mask/face covering
- Practice good hand hygiene
- Cough or sneeze into your elbow
- Clean frequently used surfaces often

Let's all be as safe as possible. We can get through this if we all work together.
