LUNG FORCE Walk - Rehoboth Beach, DE

KBG came out in Force to the 2017 LUNG FORCE Walk in Rehoboth Beach! Some Forces were able to stick their feet in the sand and maybe a small dip in the ocean. The weather was beautiful, as it resembled summer more than autumn - but we're not complaining!! All KBG participants got to have pizza and a little time to enjoy Rehoboth Beach before loading buses and returning home. We hope you had fun!

Lung Cancer is the leading cancer killer in both men and women.

THIS IS WHY THE KBG WALKS.
TOBACCO IS A LEADING CAUSE
OF LUNG CANCER. KBG LOVES

“Karnival Games Training is important
to being a trained KBG Force Member!

Have you trained your Force members in the Karnival Games? Knowing the importance of the Karnival Games and some Tobacco 101 knowledge is key to teaching other Delaware youth about the dangers of nicotine and tobacco use.

Thanks to Middletown and Concord High Schools and Clayton Elementary School for completing their Karnival Games training this year!

Contact Matt for more information on how to complete your Karnival Games Training and ensure your KBG Force is ready to take down tobacco.

...Speaking of the Karnival Games

Brand new and reprinted sets of the Karnival Games are available for your Force. If you think your set of games is missing pieces, looks a little sad and ready for a swap out, let Matt know. **It's also a great time to look over your games to make sure you have all of the needed pieces!**
