Virtual Force Meetings

Don't forget to schedule regular KBG Force Meetings, even if they have to be virtual! Make your meetings fun, while still being productive.

Some things to do at your meetings: planning activities based on the monthly campaign (November = No Nicotine November/ Thankful For Our Lungs), new member training, Take Down

Tobacco Training, planning social media activities and contests.
If you need help planning meetings, please reach out to Matt.

Take Down Tobacco - Force Training

Don't forget to train your Force in Take Down Tobacco 101. You can either lead or guide the training in-person or virtually. Training your Force will ensure all your Force Members have the tobacco knowledge they need to be successful and educated KBG Force Members.

Fall Recruitment

Any Delaware youth in grades 3-12 will receive a KBG Welcome Package if they sign up on the website in November 2020! They have to be a 'new' member and not have registered on the website before.

The Force/School that is able to get the most new members registered will get a special incentive! Challenge your fellow Force Captains to see who's Force can get the most.

Force Advisors

Force Training

All Forces should be trained in Take Down Tobacco 101. Your Force Captains are able to lead/guide this training with the Force in-person or virtually. If you need assistance completing the training, please reach out to Matt.

Monthly Reports

Please make sure you are completing a monthly report each month - even if you do not have anything to report. More information is better than no information so be sure to report on all activities, events, social media, outreach, etc.
