

Kick Butts Generation

VOICE: July 2022

Take Action!

We have a tremendous opportunity to save lives and reduce the toll of tobacco on the health of millions of people. Please tell FDA that you support the menthol cigarettes and flavored cigar rules.

Removing menthol cigarettes and many flavored cigars from the marketplace will prevent many youth from starting to smoke as well as prompt millions to quit smoking for good, especially Black Americans. These rules have the potential to save millions of lives.
